Dave Boes, M.D.
Co-Medical Director, TLC Billings

Dr. David Boes is the Co-Medical Director at TLC Laser Centers in Billings, MT. He is an experienced refractive surgeon who has performed over 8,000 LASIK and PRK procedures for nearsightedness, farsightedness, and astigmatism. He is comfortable with a wide range of refractive procedures and has operated on many of his fellow physicians and surgeons as well as TLC staff, family, and friends.

In addition to his role as Co-Medical director at TLC, Dr. Boes is a practicing Ophthalmologist at the Great Falls Clinic in Great Falls, MT where he specializes in refractive cataract surgery and glaucoma.

Dr. Boes received his Biology degree at Creighton University where he graduated Summa Cum Laude. He received his medical degree from the University of Nebraska Medical Center graduating with highest honors. Dr. Boes completed an Internal Medicine internship and Ophthalmology Residency at the University of Washington in Seattle. He finished his medical training in 1994 with a Fellowship in Glaucoma at the Wills Eye Hospital in Philadelphia, PA.

TLC Laser Eye Centers At A Glance

TLC LIFETIME COMMITMENTSM PROGRAM: A LASIK procedure takes just 20 minutes, yet its benefits last for years to come. A full year of follow-up exams, complimentary surgical enhancements for one year if needed and TLC's Lifetime Commitment Program for qualified nearsighted patients are all included with your procedure.

REASSURANCE: Over 2,000 eye doctors have chosen TLC-affiliated surgeons for their own laser vision correction. It's the ultimate endorsement and it's also an honor.
