

# About Our Doctor

## Louise A. Doyle, D.O.

Dr. Louise Doyle is a certified surgical ophthalmologist affiliated with TLC Laser Eye Centers. She is an extremely skilled ophthalmologist specializing in refractive surgery and cataract removal. She has performed thousands of refractive and medical eye surgeries. She is dedicated to providing state-of-the-art technologies. She is able to discuss laser vision correction from a personal note since undergoing LASIK herself. Her excellent training and personal laser vision correction experience allows her to offer superior results to her patients.

### Education/Training

Dr. Doyle is a graduate of both Michigan State University and Kirksville College of Osteopathic Medicine. She completed her internship and ophthalmology residency at Doctors Hospital in Columbus, OH. Dr. Doyle is Board Certified and a Fellow of the American Osteopathic College of Ophthalmology.

### Memberships/Affiliations

Dr. Doyle is an Associate Clinical Professor at Ohio University. She is a member of the American Osteopathic Association, American College of Eye Surgeons, Columbus Medical Association, Columbus EENT Society and many other ophthalmology organizations.

### Honors/Accomplishments

Dr. Doyle is recognized by her peers in the ophthalmology community as a very skilled, caring and dedicated surgeon that others turn to for laser vision correction.
