Kevin L. Waltz, O.D., M.D.  
Co-Medical Director, TLC Indiana

## at a glance

**TRAINING:** Dr. Waltz graduated from the Indiana University School of Optometry in 1981, and completed two years of extra training in optometry at the Southern College of Optometry in 1983. Dr. Waltz received his medical degree from Meharry Medical College, with Honors, in 1987 and then completed a one-year medical internship at Vanderbilt University in 1988. Dr. Waltz served a three-year residency in ophthalmology at the University of Florida in Gainesville which he completed in 1991. He was selected for a prestigious Oculoplastic Fellowship at Wayne State University to receive extra training in surgery of the eyelids, orbits, and tear ducts.

**LASIK EXPERIENCE:** Dr. Waltz is board-certified by the American Board of Ophthalmology. He has been extensively trained in both the LASIK and PRK Excimer laser techniques and has performed thousands of refractive laser procedures.

**MEMBERSHIPS:** Dr. Waltz serves as assistant professor at the Indiana University School of Optometry.

**ACCOMPLISHMENTS:** Dr. Waltz was one of the first doctors in Indiana to use lasers to correct nearsighted vision. Dr. Waltz was the first ophthalmologist in the world to receive the Array Multifocal lens as a patient, and was one of the first ophthalmologists in the world to implant an Array in a refractive surgery patient. He has taught other eye doctors from around the world how to successfully use Prelex to help reduce patients' dependence on glasses. Dr. Waltz co-authored a textbook on ophthalmic plastic surgery in 1993 and has written many chapters for medical textbooks. In addition, he has participated in annual medical missions since 1993.

### *TLC Laser Eye Centers At A Glance*

Laser Vision Correction is one of the fastest growing medical procedures in North America. The provider that people turn to for skilled, experienced and dedicated surgeons is TLC Laser Eye Centers. TLC affiliated surgeons have performed more than 500,000 LASIK procedures and were among the first to perform the procedure in North America. TLC is also committed to helping you achieve and maintain the best vision possible for the rest of your life with the TLC Lifetime Commitment Program. It provides one thing that matters most when it comes to laser vision correction - peace of mind for a lifetime.

Over 2000 eye doctors have chosen TLC-affiliated surgeons for their own laser vision correction. It's the ultimate endorsement and it's also an honor.
